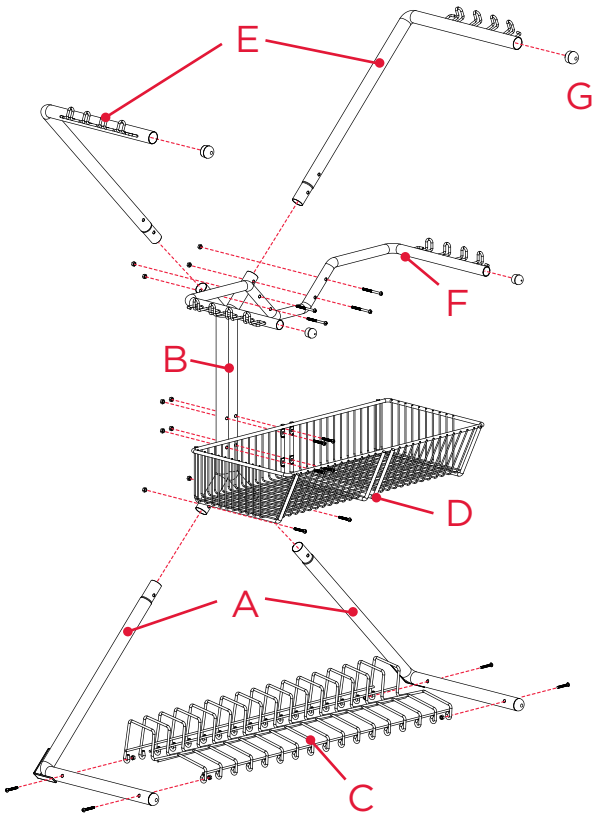
WARNING

Please read installation instructions carefully prior to installing. Before using the product thoroughly test the fully-weighted product (with equipment in place) to ensure the product has been installed properly. Do not allow children to play on product. ITW Brands is not responsible for any damage resulting from improper installation, overloading or product failure.

1 Slide the small end of the legs A into the torso B. Attach the legs to the torso with 2 screws and nuts.

Note: The 4 holes on the torso that attached the basket should be at the bottom and the screw holes that attach the footware shelf should be facing inward.

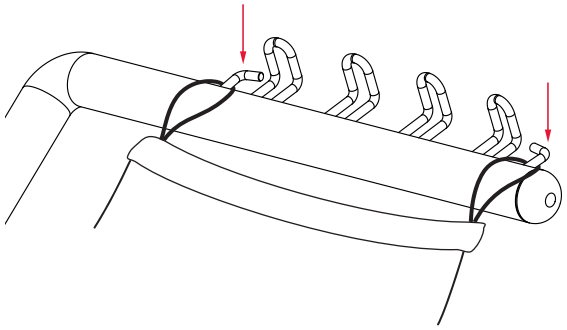


2 Align screw holes of footware shelf C with legs. Attach with 4 short screws and nuts.

3 Align screw holes of the metal basket D with those in the torso. Attach basket with 4 short screws and nuts.

4 Slide the two top arms E into the torso. Align holes of the net bracket F with the torso and top arms and attach with 4 long screws and nuts.

5 Slide 6 tube caps G into ends of all tubing.



6 Slide the loops of the upper fabric net over outermost rungs of arms hooks as shown. Repeat procedure for the lower net.
