### WARNING

Please read installation instructions carefully prior to installing. Before using the product thoroughly test the fully-weighted product (with equipment in place) to ensure the product has been installed properly. Do not allow children to play on product. ITW Brands is not responsible for any damage resulting from improper installation, overloading or product failure.

- 1** This rack is to be installed into studs 16" on center with provided wood screws.  
Make a mark at a convenient height for the garden rack.
- 2** Mark holes through the rack screw holes, drill 1/8" pilot holes and install screws into stud. Tighten screws firmly.

- 3** Add the basket to the bottom section by placing the crossbar in the kinks of the lower arms.

**A RACK USE**

The top rack and the basket can be used for storing smaller items while larger longer tools can be stored/held in the arms on either side.

The basket may also be removed in order to carry smaller items.
